Convention 2018

Convention 2018

On April 26 and 27 we celebrated the Quicesa 2018 Convention to inaugurate the beginning of the Campaign and to celebrate a very special date, our 50th Anniversary.
This year we celebrate our 50th Anniversary, under the slogan 50 years at your side, and we are proud of a long history of service to customers with a firm commitment to satisfying them.
All of us who make up Quicesa have worked as a team in an entertaining and emotional day.
