Clorix Complex 5 in 1, Multiple Action Disinfectant

- **Function**
- **Format**
- **Technical sheet**
- **Evaluations**

- **Function**

Multi-action disinfectant with algicidal, bactericidal and flocculating effect.

With a single application the water in the pool will get:

- the disinfection action of active chlorine,
- the effect of the energetic algicide and bactericide,
- instant clarification of the water,
- anti-calcareous properties,
- stabilizing effect of the disinfectant that reduces the consumption of chlorine against U.V.

Thanks to its granulated format it is indicated especially in cases where algae appear at the bottom of the pool.

The copper-free product makes it suitable for all types of pools, including liner and polyester.

▪ **Format**

In tablets:

- 5 Kg ARV0187
- 25 Kg ARV0193

Granulated:

- 5 Kg ARV0188
