PX-2000, Non-corrosive descaler cleaner

- **Function**
- **Format**
- **Technical sheet**
- **Evaluations**

- **Function**

Deep cleaning of surface and accessories of the glass and common areas.

Effective against calcareous incrustations, oxides and dried seaweed in glass and artificial stone beach.

Great cleaning power with corrosion inhibitors, which prevent the attack on metal surfaces.

Liquid product that does not release gases that bother the user thanks to its surfactant formulation.

Easy to apply and quick rinse under running water.

Lineo, Reinforced degreaser

- **Function**
- **Format**
- **Technical sheet**
- **Evaluations**

- **Function**

High performance cleaner.

Quickly dissolves fats and dirt deposited on the edges and walls of the glass.

Effective cleaner eliminates fats deposited in the learning material, corkscrews and grids, etc.

For cleaning the filter bed.

Easy to apply by spray. Suitable for all types of vessels (liner, tiles and paint).

Perfect complement to the Lineo XP waterline cleaning robot.
