SH-600, pH Elevator

- **Function**
- **Format**
- **Technical sheet**
- **Evaluations**

- **Function**

Concentrated product that acts quickly and effectively without producing foam.

Being a liquid product the application is more comfortable and easier and the water is regulated more easily.

Guarantees the water balance to avoid bathers skin and eye irritation problems, as well as the deterioration of the facilities due to the effects of corrosion.

Suitable for outdoor pools and indoor pools.

• Format

- 5 Kg ARV0143
- 25 Kg ARV0162
